Isabella Lavery originally of Victoria, Australia married Harry Huck's in the late 1800's. It was in 1903 the family, now including three daughters and a son moved to Christchurch, NZ. Isabella became sole proprietor of 'Mrs Huck's' Theatre Royal Cafe' and had a solid 50 years of operation. Due to her generosity within the community, particularly at the end of World War 1 and her 'mothering' nature of all her customers she became known as 'Mother Huck's' to all the locals.

It is our mission to carry on Isabella's hospitality spirit within Christchurch.
